

**Program Completion Rates**

**RN-BSN Program**

<b>Benchmark using ACEN's definition of "program completion"</b>	<b>Month/Year of Program Entry</b>	<b>Month/Year of Program Exit to Meet Benchmark</b>	<b>Program Completion Rate</b>
<b>80% of students will complete the program within 150% of the stated program length (within 6 semesters), beginning with the first nursing course</b>	August 2012	May 2015	82% (23/28 students)
<b>80% of students will complete the program within 150% of the stated program length (within 6 semesters), beginning with the first nursing course</b>	January 2013	December 2015	20% (1/5 students)
<b>80% of students will complete the program within 150% of the stated program length (within 6 semesters), beginning with the first nursing course</b>	August 2013	May 2016	88% (45/53 students)
<b>80% of students will complete the program within 150% of the stated program length (within 6 semesters), beginning with the first nursing course</b>	January 2014	December 2016	80% (12/15 students)
<b>80% of students will complete the program within 150% of the stated program length (within 6 semesters), beginning with the first nursing course</b>	August 2014	May 2017	74% (48/65 students)
<b>80% of students will complete the program within 150% of the stated program length (within 6 semesters), beginning with the first nursing course</b>	January 2015	December 2017	63% (20/30 students)
<b>75% of students will complete the program within 150% of the stated</b>	August 2015	May 2018	67% (58/87)

<b>program length (within 6 semesters), beginning with the first nursing course</b>			
<b>75% of students will complete the program within 150% of the stated program length (within 6 semesters), beginning with the first nursing course</b>	January 2016	December 2018	60% (9/15)

Please note that students may take up to 10 semesters (5 years) to complete the program, per program policy. This means there are students who complete the program, but who not meet the benchmark using ACEN's definition of "program completion."
