Policy for Reporting the Annual Disclosure of Crime Statistics

The Vincennes University Police Department prepares this report to comply with the Higher Education Opportunity Act (HEOA). The full text of this report can be located on our website at www.vinu.edu/criminal-statistic-reports. Additionally, for printed copies of the report contact the University Police Department at (812) 888-5555. This report is prepared in cooperation with the local law enforcement agencies surrounding our main campus, Residential Life, Dean of Students Office, and the Office of Student Affairs.

Each office provides updated information on their educational efforts and programs to comply with the Clery Act. Campus crime, arrest, and referral statistics include those reported to the VU Police Department, designated campus officials (including but not limited to the Chief of Police, Division Deans, Department heads, designated Residential Life staff, Judicial Programs, Student Advisors, Student Organization Advisors, Athletic Coaches), and local law enforcement agencies.

Student Counseling personnel inform their clients of the procedures to report crime to University Police on a voluntary or confidential basis, should they feel it is in the best interest of the client. A procedure is in place to anonymously capture crime statistics disclosed confidentially during such a session.

Annually, an email notification is made to all enrolled students, faculty, and staff that provides the website to access this report. Copies of the report may also be obtained at the Vincennes University Police Department located at the corner of Second Street and Center Street on the campus of Vincennes University or by calling (812) 888-5555.

Enforcement, Jurisdiction, and Responsibilities

The Vincennes University Police Department operates on a 24-hour basis, seven days a week. The University Police Department is located at 1201 North 2nd Street, North of the Beckes Student Union. Vincennes University Police Officers exercise full police authority, including powers of arrest, on any property owned, leased, or used by Vincennes University and, through a Memorandum of Understanding, the Vincennes University Police department, also, exercises authority within the City of Vincennes. All Vincennes University police officers are graduates of the Indiana Law Enforcement Academy.

It is the responsibility of the Vincennes University Police Department to provide personal and facility security, campus law enforcement, crime prevention and awareness programs, investigative services, public safety communications systems, disaster preparedness planning, emergency medical assistance, and traffic and parking services to the Vincennes University community.

Off-Campus criminal activity involving Student Organizations

The University relies on its close working relationships with the Indiana State Police, Indiana State Excise Police, Knox County Sheriff's Office and the Vincennes City Police Department to receive information about incidents involving students off campus. The Vincennes University Police Department will actively investigate any crime information it receives concerning or involving a member of the campus community. If the University is notified of a situation in which a university community member is the victim of a crime, the Vincennes University Police Department may issue a Campus Safety Alert, detailing the incident and providing tips so that other community members may avoid similar incidents. If the Vincennes University Police Department is notified of a crime or other serious incidents occurring at fraternities or sororities located off campus, and the University Police will forward for disciplinary action any information regarding student misconduct off campus to the Office of Student Affairs and the Dean of Students.

Access to campus facilities

Access to Vincennes University buildings and grounds is a privilege extended to students, faculty, staff, and authorized guests. Vincennes University encourages an open environment with limited constraints to ensure the reasonable protection of all members of the community. Except for, residential halls, most campus facilities are open during weekday business hours. Persons who wish to access University buildings or property during non-business hours or for special events should contact the appropriate department administrator, or the Vincennes University Police Department.

Security considerations in the maintenance of campus facilities

Vincennes University is committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. Representatives from various departments conduct informal and formal surveys to ensure campus lighting is adequate and that the landscape is appropriately controlled. Members of the University Police Department conduct routine checks of lighting on campus during regularly assigned patrol duties. If lights are out or dim, officers will initiate a work order, which is acted upon by a representative of the University Physical Plant office, usually within 24 hours or the next business day. The University Police encourage community members to report any deficiency in lighting to the Physical Plant Office at 812-888-4227 or Division Offices to initiate a work order. Any community member who has a concern about physical security should contact the University Police Department at 812-888-5555.

The University Police and the University Locksmith work in identifying any malfunctioning locking mechanism. University Police encourage community members to promptly report any locking mechanism deficiency to the Physical Plant Office at 812-888-4227 or to the Vincennes University Police Department 812-888-5555. Maintenance staff members are available to respond to calls for service regarding unsafe facility conditions or for personal safety and property protection.

Emergency Reporting

- ❖ *To report by phone, dial 911 from any campus telephone or use the “Help” button on the Code Blue phone system to reach University Police. If using a cell phone on campus, dial 911 for emergencies and (812) 888-5555 for non-emergency.*
- ❖ *To report in person, visit Vincennes University Police Department, 1201 N. 2nd Street Vincennes, IN.*
- ❖ *To report a crime anonymously, go to the Campus Police web-site, click on Silent Witness, <http://bak16.vinu.edu/forms/silent-witness>. Fill in the blanks and press Submit.*

Limited Voluntary Confidential Reporting

Vincennes University Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the university police department cannot hold reports of crime in confidence. Anonymous reports of crime may be made to the VU Silent Witness Program at <http://bak16.vinu.edu/forms/silent-witness>.

Other Reporting

Although the Vincennes University Policed Department serves as the primary law enforcement agency for the campus, occasionally Vincennes University community members may need to contact other law enforcement agencies.

Pastoral and Professional Counseling – Encouraging confidential reporting of crime and other serious incidents:

As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors”, and Campus “Professional Counselors”, when acting as such, are not considered to be a “security authority”, and are not required to report crimes for inclusion into the annual disclosure of crime statistics report. As a matter of policy they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. The rulemaking committee defined counselors as:

Pastoral Counselor - *An employee of an institution who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.*

Professional Counselor - *An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification.*

To receive counseling by a Professional Counselor, or a Pastoral Counselor of your faith contact the Vincennes University Counseling Service located in the Welsh Administration Building, WAB-1, 1002 N. First Street, Vincennes, IN, 812-888-4374 or the Campus Ministries/Christian Campus Fellowship, directly at 812-882-1261.

Campus Security Authority

Clery Act & Crime Reporting – Guidelines for Campus Security Authorities

Overview of the Clery Act

Jeanne Clery, a Lehigh University freshman, was assaulted and murdered in her dorm room in April of 1986. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, hereafter referred to as the Clery Act, was enacted in the hope that awareness of criminal activity can help to reduce the likelihood of victimization. The Clery Act requirement holds that colleges and universities receiving federal funding must prepare, publish, and distribute campus security policies and crime statistics.

The crime statistics reported in compliance with the Clery Act are obtained from reports to the Vincennes University Police Department, local law enforcement agencies, and "Campus Security

Authorities." Reports made to Campus Security Authorities may also provide the basis for the issuance of Timely Warnings or VU-E alert emergency notifications.

Who is a Campus Security Authority?

In addition to the members of the Vincennes University Police Department, the following are considered to be Campus Security Authorities, hereafter referred to as CSAs:

- *Individuals with campus security responsibility – for example VU campus safety officer staff and Vincennes University event staff.*
- *An individual or organization identified in the campus statement of Policies for Reporting Criminal Actions and Emergencies as an individual or organization to which students and employees should report criminal offenses.*
- *Any official with significant responsibility for student and campus activities. This includes officials who manage or otherwise oversee student and campus activities. For example, staff responsible for campus student housing, a student center, or student activities; a director of athletics or a team coach; faculty advisors to student groups; staff responsible for student discipline, and campus judicial staff.*

What are Campus Security Authorities required to do?

CSAs are responsible for reporting all those allegations of crimes specified in the Clery Act that are reported to them and that they were made in good faith to the Vincennes University Police Department. The crimes specified in the Clery Act are:

- *Murder/non-negligent manslaughter*
- *Negligent manslaughter*
- *Forcible and non-forcible sex offenses*
- *Robbery*
- *Aggravated assault*
- *Burglary*
- *Motor vehicle theft*
- *Arson*

VAWA Offenses

- *Domestic Violence*
- *Dating Violence*
- *Stalking*

If there is evidence that the perpetrator was motivated by bias, then:

- *Murder/non-negligent manslaughter*
- *Negligent manslaughter*
- *Forcible and non-forcible sex offenses*

- *Robbery*
- *Aggravated assault*
- *Burglary*
- *Motor vehicle theft*
- *Arson*
- *Simple assault*
- *Larceny (theft)*
- *Intimidation*
- *Vandalism*

Must be reported as well (please see the definitions provided below).

Timely submission of reports by CSAs is very important. If a crime is reported to a CSA, but goes no farther than that, VU will be unable to fully meet its obligations under the law.

Moreover, the campus community may lack information that could help them to stay safe.

What Should a Campus Security Authority Avoid Doing?

CSAs are not responsible for determining whether a crime took place. CSAs are also not responsible for attempting to apprehend an alleged perpetrator of a crime. These are matters best left to law enforcement personnel. CSAs should refrain from attempting to convince a victim to contact law enforcement if the victim chooses not to do so. However, they may note that crimes can be reported to the police anonymously.

How do Campus Security Authorities Fulfill Their Responsibilities?

When a crime is reported to a CSA, they should first ask the reporting party if they would like to report the crime to the police. If they would, they should contact the Vincennes University Police Department at (812) 888-5555. The police department is located at 1201 N. Second Street. In the event that an in-progress emergency is being reported, the reporting party should be advised to call 911 immediately. If they are unable to, the CSA may do so on their behalf.

If the reporting party does not want to contact the police about the crime, the CSA should complete a Campus Security Authority Crime Report. Even if the reporting party does wish to contact the police about the crime, the CSA may complete the form for their records (check the appropriate box for the law enforcement agency the crime was/will be reported to). The procedure for completing the form is as follows:

- *Ask if they have reported, or are going to report, the crime to the police. Advise them that reporting a crime to the police does not commit them to filing charges. Crimes may be reported anonymously if the victim/reporting party so desires.*

- *Personal identifying information for the reporting party should be included if available. This will help to avoid double counting crimes. No such personal identifying information will be included in the Clery statistical disclosures.*
- *If a victim does not want the report to go any further than the CSA, they should be advised that the CSA is required to submit the report for statistical purposes. However, the report can be submitted without identifying the victim.*
- *It is very important that the location of the crime is reported as precisely as possible. A building name, parking lot number, close address, or cross street should be provided.*
- *A description of the crime should be given, including as much detail as possible. This is to aid in the determination of exactly what crime occurred. It is important to note any injuries sustained or weapons used. The reporting party should indicate if they feel that the perpetrator committed the crime because of bias; and, if so, what lead them to believe that to be the case.*
- *Check the appropriate boxes on the form. Consult the definitions provided below or above the form as needed. If in doubt, contact Chief Robert J. Dunham at (812) 888-5555 or rdunham@vinu.edu. Liquor, drug, and weapon offenses are reported when an arrest (including a citation) is involved or a referral for university disciplinary action is made. Note the number of people arrested or referred.*
- *If possible, determine what Clery Act geographical location the crime occurred in. Consult the location definitions provided below as needed. If in doubt, contact Chief Robert J. Dunham at (812) 888-5555 or rdunham@vinu.edu. When the form is completed, please forward it as soon as possible to the Vincennes University Police Department at Safety and Information Building, SIB, Bldg 57, Att: Tina Clark. The form may also be submitted by Fax to (812) 888-5144 or e-mail to tclark@vinu.edu. Some departments may wish to retain a copy for their files. If so, the forms should be retained for at least three years.*

Campus Security Authority Training

Vincennes University Police Department has a PowerPoint presentation to help Campus Security Authorities understand the Clery Act, why they have been designated as a CSA, and what is required of them as CSAs. To assist you in better understanding the requirements, definitions and procedures involved with compliance to the Clery Act members of the Vincennes University Police Dept. will meet with CSAs to hold additional training sessions. Please contact Chief Robert J. Dunham at (812) 888-5555 or rdunham@vinu.edu.

Timely Warnings (Crime Alerts)

The Vincennes University Police Department shall make timely warnings under the heading “Crime Alert” whenever any of the following offenses have been reported on campus, on public property adjacent to campus, or off campus properties owned or controlled by the University and when it has been determined by the Chief of Police or his/her designee that the offense presents a threat to the University community. These offenses include but are not limited to murder, manslaughter, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson, and hate crimes. The purpose of these alerts is to provide information in a timely manner that will aid in the prevention of similar occurrences.

Crime Alerts are circulated via the Vincennes University portal email system, VU-EAlert Text messaging System, the Vincennes University website, the Vincennes University Trailblazer campus newspaper, Vincennes University Radio and Television stations, local media, and posting of crime alerts in visible campus locations as may be deemed appropriate.

Crime Log

A crime log is published Monday - Friday and is available for viewing at the University Police Department. The log includes the nature, date, time, general location, and disposition of each crime. All log entries, except where disclosure of such information is prohibited by law or such disclosure would jeopardize the confidentiality of the victim, will be open to public inspection within two business days of the initial report being made to the department or to a campus security authority. Any new information obtained is added to the log no later than two business days after the information becomes available, unless there is clear and convincing evidence that the release of such information would: 1) jeopardize an ongoing criminal investigation or the safety of an individual; 2) cause a suspect to flee or to evade detection; 3) result in the destruction of evidence.

Crime Prevention Education and Awareness

Preventing crime through collaboration and cooperation - Crime prevention is a top priority of the Vincennes University Police Department. Together with other campus offices, the University Police provides programs to enhance personal safety, teach proactive crime-reduction strategies, and help community members develop self-esteem, which contributes to a healthy community. The campus’s crime prevention strategy rests on a multi-layered foundation of a proactive campus patrol, crime prevention education and training, building and area security surveys, and property registration. This approach relies on the dual concepts of eliminating or minimizing criminal opportunities, whenever possible, and encouraging community members to take responsibility of their own and other’s safety. Members of the Vincennes University Police Department are available to assist any individual or group in planning, presenting, and

coordinating programs of interest or concern. Listed below are some of the umbrella programs and services offered by the department:

- *New Student Crime Prevention Orientation*
- *Crime Prevention Orientation for Parents*
- *VUPD & Residence Life Crime Prevention Partnership*
- *VUPD Crime Prevention Seminars and Workshops*
- *S.A.F.E Program*
- *CSO Escort Program*
- *Special Safety Tips Program*

Bystander Intervention

Most of us have been in a situation where we could have intervened in a problematic situation but didn't, then later had regrets and thought "If only I had done something, said something, somehow taken some action." You can take steps to prevent yourself from having those regrets if you:

1. **Notice** *when a situation could lead to something bad happening. Maybe it's a situation which seems likely to lead to violence, or it's just a situation in which someone else clearly feels uncomfortable. Sometimes, we can't say exactly what's wrong about a situation, but our gut instinct or intuition is telling us something's not right.*
2. **Identify** *the situation as a problem that needs intervention. If the situation continues, you may observe the seriousness is escalating, or conclude the behavior is not going to stop on its own. At that point you have to recognize that the situation calls for some type of action.*
3. **Take responsibility** *for intervening. It can be easy to assume that someone else will intervene so you don't have to, especially if we're just one of a group of people witnessing the event. Ask yourself how you would want someone else to respond if it were you or someone you loved that was caught up in the situation. When you can, be a leader.*
4. **Know how** *to intervene. You don't always have to confront someone directly to intervene, but if you can identify ways to intervene with which you are comfortable and which enable you to preserve your safety, you're more likely to take some action.*
5. **Take action** *to intervene.*

Bystanders can intervene any number of ways, but the strategies generally fall into one of three categories:

- **DISTRACT.** Create a distraction or redirect the focus of either party to ensure s/he can get out of the situation. If appropriate, use humor or an excuse to divert the attention of the perpetrator, creating an opportunity for the potential victim to be removed from the situation.
- **DIRECT.** Confront the harmful behavior directly, so the potential victim is able to leave the situation or the perpetrator can choose to stop his/her behavior. This can include stepping in to separate the individuals and using assertive language.
- **DELEGATE.** Ask others to get involved to help take charge of the situation (a friend, a police officer, an RA, or someone else).

Above all, Safety First!

You don't have to be a superhero! Here are some ways to assure your safety while also trying to help others:

1. Recruit friends to help.
2. Approach others in a friendly manner.
3. Avoid using violence.
4. Don't hesitate to contact Campus Police at (812) 888-5555 if you have sense of dangerousness or the potential for violence.

BOTTOM LINE:

- Trust your gut. If your gut is telling you something is not right, then there's probably something you need to pay attention to.
- Your attempts to intervene don't have to work perfectly, but the important thing is that you **DO SOMETHING**, however silly or unplanned.

Prohibited Use of Illicit Drugs and Alcohol

As set forth in local, state, and federal laws, and the rules and regulations of the university, Vincennes University prohibits the manufacture, use, possession, and distribution of illicit drugs and alcohol by students, employees and visitors in buildings, facilities, grounds or other property owned and/or controlled by the university. This applies to all individuals participating in any university-sponsored activities.

The university will enforce all state and federal laws regarding the possession and use of alcohol and the manufacture, distribution, dispensing, possession, or use of any controlled substance. Drug and alcohol laws are vigorously enforced at Vincennes University. Violators are subject to criminal prosecution. The enforcement techniques can range from plain view violation to long-term undercover investigations by local, state, or federal agents and agencies.

The inappropriate use of a controlled substance is detrimental to Vincennes University's faculty, staff, students, and the public served. The university will attempt to assist a student or employee involved with the inappropriate use of alcohol or a controlled substance in obtaining rehabilitation.

However, the ultimate responsibility for overcoming a dependency or inappropriate use of alcohol or of a controlled substance is that of the individual. Details of the policy are printed and distributed annually in the Student Handbook and University Employee Manual.

Vincennes University has an alcohol abuse program emphasizing education and intervention and meets the requirements of the present drug and alcohol requirement including the Drug Free Schools and Communities Amendments of 1989.

Indiana Lifeline Law - Alcohol

Vincennes University (VU) encourages a living and learning environment that promotes the health and safety of all members of the VU community. Alcohol consumption—including excessive consumption, consumption of a dangerous substance, or consumption by someone with sensitivity—can cause serious physical and neurological harm or be life-threatening. Vincennes University is committed to promoting a safe and healthy environment for all students. The Indiana Lifeline Law benefits our campus by encouraging students to make responsible decisions in seeking medical attention in serious or life-threatening situations that result from alcohol abuse and in any situation where medical treatment is reasonably believed to be appropriate. If a student is so intoxicated that he/she is unable to be awakened, letting that person “sleep it off” is not a reasonable alternative to getting him/ her the necessary medical help. This law seeks to diminish fear of disciplinary and conduct sanctions in such situations and to encourage individuals and organizations to seek needed medical attention for students in distress from alcohol use.

Request medical assistance; prohibited from being taken into custody; immune from criminal prosecution (IC 7.1-5-1-6.5)

Provides immunity for the crimes of public intoxication, minor possession, minor consumption, and minor transportation alcohol to persons who reveal themselves to law enforcement while seeking medical assistance for a person suffering from an alcohol-related health emergency.

In order to receive immunity, the person must demonstrate that they are acting in good faith by completing ALL of the following: Providing their full name and any other relevant information requested by law enforcement officers, remaining on the scene until law enforcement and emergency medical assistance arrives, and cooperating with authorities on the scene.

The law does not provide immunity from other criminal offenses such as providing to a minor, operating while intoxicated (OWI), or possession of a controlled substance.

Firearms & Other Weapons Prohibition Policy

Vincennes University strictly prohibits possessing, using, storing, or transporting firearms or other weapons, explosives, fireworks, ammunition or dangerous chemicals on any university owned, or leased or properties.

The violation of laws and/or university policies dealing with firearms or weapons offenses will be prosecuted to the maximum extent allowable under the law for each violation. This includes offenses such as possession, or use of a deadly weapon or firearm; carrying, opened or concealed; furnishing a deadly weapon or firearm to another including minors; and all attempts to commit any of the above.

Sexual Assault

Philosophy

Vincennes University is committed to maintaining an environment free from all exploitation and intimidation based on sex. The University will not tolerate sexual assault or sexual harassment in any form. Vincennes University pursues a variety of initiatives designed to combat incidents of rape, sexual assault, or other forms of non-consensual sexual activity. Non-consensual sexual activity shall include, but not be limited to, situations in which the victim is unable to consent because he or she is physically helpless, mentally incapacitated due to drug or alcohol consumption, or unconscious, regardless of whether the consumption was with the victim's consent.

Statutory Mandates

Each campus must guarantee that this Bill of Rights is implemented. It is the obligation of the individual campus governing board to examine resources dedicated to services required to implement the Bill of Rights and to make appropriate requests to increase or reallocate resources where necessary to ensure implementation.

Each campus shall make every reasonable effort to ensure that every student at that institution receives a copy of this document.

Nothing in this "Campus Assault Victim's Bill of Rights" shall be construed to preclude or in any way restrict any public or independent institution of higher education in the State from reporting any suspected crime or offense to the appropriate law enforcement authorities.

A list of registered sex offenders in Indiana is also available at https://secure.in.gov/serv/cji_sor.

Sexual Harassment

Policy

Vincennes University is committed to creating and maintaining a positive learning and working environment for its students and employees and will not tolerate sexual harassment. VU is committed to preventing sexual harassment and to promptly addressing any violations of this policy.

Sexual harassment is prohibited because it is demeaning and de-grading and a form of prohibited discrimination on the basis of sex. It is an affront to an individual's dignity, sense of self, and self-esteem. As such it can have a negative impact on performance at work or in an academic setting. Sexually harassing behaviors are prohibited by the University and will not be tolerated.

Sexual harassment is illegal as a violation of several State and Federal laws including Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972. As a recipient of Federal funds, VU must comply with these Federal Statutes. Sexual harassment is also prohibited in the Equal Opportunity and Affirmative Action Policy adopted by the VU Board of Trustees.

This policy applies to all persons at the University or attending University sponsored classes, events, and programs. Visitors to the campus and workers employed by private firms engaged in business on the campus are expected to comply with this policy.

The Office of Human Resources is charged with distributing this policy to the University community and providing educational opportunities appropriate to faculty, staff, and students.

Sexual Assault Services

What services are available to students after a sexual assault on campus?

The VU Counseling Center services are available free of charge to a victim who is a VU student.

If desired, staff can accompany the student to or meet the student at the ER for services there. Students may also access Counseling Center services at a later time, and receive assistance such as ongoing counseling, problem-solving, explanation of the criminal and campus judicial process, and referral to other appropriate agencies. Functioning under the auspices of state and federal mental health law, and within the guidelines of the Campus Security Act (aka the Clery Act), counselors are not mandated reporters of sexual assaults and are able to maintain a victim's confidentiality if desired.

Hope's Voice is a program under the umbrella of Children and Family Services, a community based organization. It is a local volunteer-based victim assistance program. They provide assistance to victims of domestic violence and sexual assault, including crisis counseling, safety planning, advocacy, and information. They can help with information and referrals for medical and mental health services. They can accompany a person to the emergency room, help them in filing a police report and also assist in filing protective orders if needed. Hope's Voice staff and volunteers will provide confidential services for victims at the level needed by each individual. Services can range from a supportive phone call, to one-on-one counseling, to sitting with a victim during a court hearing. In addition Hope's Voice acts as the Victim's Assistance Representative for the Knox County Prosecutor's Office for sexual assault victims that are referred by law enforcement for prosecution evaluation.

Good Samaritan Hospital has three Sexual Assault Nurse Examiners who are employed in the Emergency Room to provide needed health services to victims of sexual assault.

Is there a 24-hour crisis hotline available in case of sexual assault? What is the telephone number?

Hope's Voice (812-899-4673) provides a 24 hour hotline for victims of sexual assault or domestic violence.

The Vincennes University Police Department (812-888-5555) has 24 hour access to VU Counseling Center staff for support and consultation.

The Samaritan Center, the local mental health center, also has a 24 hour hotline (812-886-6800) available to those in acute distress, and can connect victims with appropriate agencies should they be contacted by a sexual assault victim.

Does your campus have an advocate on staff or another employee who fills that role?

Vincennes University does not have a dedicated Sexual Assault Resource Coordinator. The VU Counseling Center staff members are available to assist victims of sexual assault if needed or requested.

Are Sexual Assault Response Team (SART) services available to students assaulted on campus? Are they provided on campus or through another community provider?

*Vincennes University does not have a dedicated Sexual Assault Resource Team. SART Services are offered through Hope's Voice and the local community.
Current SART Team members include:*

- *Dirk Carnahan, Knox County Prosecutor*
- *Bob Dunham, Chief, Vincennes University Police Department*
- *Doug Lowe, Detective, Vincennes City Police Department*
- *Stacy Reese, Detective, Vincennes City Police Department*
- *Cameron Carr, Detective, Knox County Sheriff's Department*
- *Justin McBee, Detective, Knox County Sheriff's Department*
- *Jim Dotson, Master Trooper, Indiana State Police*
- *Butch Myers, Patrolman, Bicknell Police Department*
- *Kathy Evans, Director of Counseling Services, Vincennes University*
- *Melissa Haaff, Director, Hope's Voice*
- *Nathan Noel, Director, Department of Child and Family Services*
- *Penny Culp, SANE Nurse Supervisor, Good Samaritan Hospital*
- *Brandy Davis, SANE, Good Samaritan Hospital*
- *Michelle Pitcher, Director, Health Connection*
- *Cristina Wicks, Regional Coordinator, Indiana Trafficking Victims Assistants Program (ITVAP)*

Is there any identified contact person on staff with campus police that handles sexual violence?

The members of the Vincennes University Police Department are trained to respond to sexual violence victims. University Police officers have 24/7 access to VU Counseling Center staff (Kathy Evans and Jennifer Andrews) to assist victims of sexual assault if needed or requested.

Are there other departments or services on campus students can go to after sexual violence?

In some instances, it may be appropriate to refer students to the Health Office for follow-up of physical issues.

Are there partnered organizations within the surrounding community that VU collaborates with or refer to in support of students?

Hope's Voice and the members of the community SART team as described above

Emergency Management Procedures:

Introduction

Vincennes University's need to be prepared for emergencies is ongoing. Through proactive training, drills, and involvement with organizations such as FEMA, Indiana Homeland Security & Indiana Emergency Management Agency, the university is continuing to build a community that is ready and willing to support and protect the campus. Through the National Incident Management System (NIMS), the university has developed techniques that support our requirements in emergency operations. The university has established an updated mass notification system which allows authorized Vincennes University officials to send news and instructions simultaneously to individuals via landline phones, cell phones, text messaging, and e-mail within moments of a critical incident.

Emergency Management and Evacuation Procedures

The Vincennes University Emergency Management Plan is a guide to provide university personnel with an emergency and crisis management system when responding to major disasters or disturbances to the campus. All personnel designated to carry out specific responsibilities are trained to know and understand the policies and procedures of the plan. The Emergency Management Plan was created to meet the Occupational Safety and Health Administration Standard 29 CFR 1910.38: Emergency Action Plan. Vincennes University will operate an Incident Command System (ICS) in the event of an emergency.

The Emergency Management Plan is designed to effectively coordinate the use of university and community resources to protect life and property both during and immediately following a major crisis or disturbance on or near the university. It shall be placed into operation whenever an emergency affecting the University cannot be controlled using daily operating procedures. The university ensures that all new faculty and staff are informed of the Emergency Management Plan and Guide upon attending a new hire orientation meeting. Emergency Evacuation plans and Guides are posted in all classrooms, offices, and facilities under the control of the university.

Emergency Test and Evacuation Drills

Vincennes University shall participate in emergency tests or evacuation drills at least once per year to assess and evaluate emergency procedures and capabilities. The evacuation drills, table top exercises, and emergency preparedness training are done in partnership with the Vincennes University Police Department, the Knox County Emergency Management Director, the Indiana Office of Homeland Security and Emergency Management, and the Vincennes City Fire and Police Department. The Vincennes University Police Department will document each test, including the date, time, and whether it was announced or unannounced.

Mass Notification System

The Mass Notification System used at Vincennes University broadcasts immediate e-mail, text, and voice-mail messages to the university community. Vincennes University will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty, or staff occurring on its campuses. Taking into account the safety of the community, the University will determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. After the initial notification, follow-up information may be disseminated to the community via the mass notification system.

Policy Statement for Mass Notification

Mass Notification System for Emergency Alerts (VU E-Alert)

Policy Rationale - Establishes the guidelines by which the VU E-Alert system will be used for distribution of emergency alerts to students, faculty, and staff that would be affected directly by a critical incident which poses an imminent threat to their health or safety given their presence on Vincennes University property or its surrounding areas.

Policy Statement - Vincennes University maintains a proprietary voice and email messaging service that enables university officials to create voice and email messages for emergency alerts to be sent to subscribed members of Vincennes University community. Voice and email message emergency alerts are additional elements of the university's comprehensive emergency response protocol that provides for rapid notification to students, faculty, and staff about situations or events that are occurring on campus and its surrounding areas. The plan is designed for those conducting regular university related business in the immediate area. The emergency messaging service, with which Vincennes University has designed, requires users to opt-in to the service by subscribing their cell phone or wireless device number online via the University MyVU website link, available at: www.vinu.edu or <https://www.getrave.com/login/vinu>.

Definition of Terms:

Emergency Alerts - Notifications regarding critical incidents that pose an imminent threat to the health or safety of the Vincennes University community. Examples of such emergency incidents include, but are not limited to severe weather, hazardous materials incidents, and acts of criminal violence that broadly threaten the safety of the university community.

Email - Brief, direct text notifications received on account or similar text-communication handheld device. Emails sent to the MyVU account.

Creation and Distribution of Emergency Messages

Representatives from following Vincennes University offices have the authority to approve dissemination of emergency messages.

1. Office of the President
2. Office of the Provost
3. Office of University External Relations
4. Office of Management Information Center
5. Vincennes University Police Department

Once approved, emergency messages will be distributed by a trained system administrator to subscribers of the messaging service. The creation of Message Templates ("standard messages") will be reviewed with the Office of University External Relations.

Follow-Up after a VU-EAlert Message is sent:

Notifications - As soon as possible after an emergency alert message is sent, the designee who created the message shall notify the other designated offices that the message has been sent and shall describe the rationale for activating VU-EAlert. The purpose of this communication is to ensure that all offices are sharing consistent information and are not sending duplicate messages.

Annual Crime Statistics

The Vincennes University Police Department (VUPD) maintains a close relationship with the Vincennes City Police Department (VPD), Knox County Sheriff's Department (KCSD), Indiana State Police (ISP) and the Indiana State Excise Police (Excise) to ensure that it is notified of any crime report that is made directly to them.

The Chief then reviews all incident reports to ensure they are appropriately classified in the correct crime category. The department examines the data to ensure that all reported crimes are recorded in accordance with the crime definitions outlined in the FBI Uniform Crime Reporting Handbook.

Higher Education Opportunity Act Campus Fire Safety Annual Compliance Report

Overview

The Higher Education Opportunity Act (Public Law 110-315) became law in August 2008. It requires all United States academic institutions to produce an annual fire safety report outlining fire safety practices, standards, and all fire-related on-campus statistics. The following public disclosure report details all information required by this law as it relates to Vincennes University.

General Statement

At Vincennes University all residence halls are covered with integrated fire sprinkler systems and a redundant fire alarm monitoring systems which are monitored 24 hours/day, seven days/week.

Fire Safety Improvements and Upgrades

The Vincennes University Physical Plant Office periodically reviews the fire systems in all residence halls and will make upgrades, repairs or revisions when problems are identified.

Residence Hall Fire Drills

Fire drills are held once a semester for each residence hall. Fire drills are mandatory supervised evacuations of a building for a fire. The fire drill is scheduled with the Director of Residence Life, the local fire department, the university police department,

the individual residence hall staff, and the Physical Plant Office. Supervised fire drills are scheduled at a time that is conducive to demonstrate the effectiveness of the drill.

Evacuation route maps are posted in each resident room showing where the closest egress route is and the assembly area outside. Students who fail to leave the building during a fire drill are counseled and the incident is turned over to the Director of Residence Life for adjudication.

Student Apartment Housing Fire Evacuation and Education

A review of Fire evacuation procedures is conducted each semester with students residing in the University owned apartments. Staff visit each apartment and meet with apartment residents. Staff discuss evacuation procedures, check windows to make sure they are in good working condition, confirm a fire extinguisher is present and answer any questions students have regarding fire evacuation. Evacuation procedures are posted right inside each apartment front door.

Fire Life Safety Education

The Residential Life policy on fire safety is to prohibit usage of electrical cooking appliances, candles, and specific electrical equipment individual rooms. Candles or open flame are prohibited in residence halls. There are limits on the number electrical appliances allowed in a specific room.

The Residence Life policy on evacuation from residence halls is discussed with all residents when they move into the residence hall.

Fire/Life Safety Inspections

During the academic semester Residence Life staff personnel conduct fire/life inspections. Students are notified of all upcoming inspections and are urged to participate.

During the inspection if a violation is found, the student(s) will receive a letter indicating what the violation was, and will be expected to meet immediate compliance. If the violations have not been corrected after an unannounced re-inspection, the occupant(s) will be subject to disciplinary action.

Some common violations are as follows:

- Extension cords and multi-tap electric units without a breaker*
- Items stored closer than 18 inches from a sprinkler head*
- Blocking of electrical panels*
- Blocking of egress (exit) pathways*
- Evidence of burning of candles, incense, or tobacco products*
- Evidence of cooking; or cooking appliances, even if unused*
- Evidence of a heavy load of combustibles in a room, on the walls, or ceiling*

- *Covering a door with paper or other combustible material*
- *Use of electrical wiring, devices, appliances which are modified or damaged*
- *Use of portable heater*

- *Use of halogen lamp/lighting*
- *Unsafe lofting or raising of beds — including rooms with no guardrails*
- *Strings of lights, twinkle lights, holiday lights*
- *Any other situation deemed unsafe by the staff inspector*

Smoking Policy

Vincennes University prohibits smoking in any of the residence halls and a minimum of eight (8) feet from any residence hall entrance. There are eleven (11) designated smoking and tobacco use areas on campus in which smoking is permitted.

Reporting a Fire

Students reporting a fire should contact the police department at 812-888-5555 or 911. If the fire event is no longer a danger they should contact the residence hall Director, or Assistant Director to report the incident to the police department.
