

Gainful Employment Disclosures – 2019

Program Name: Pharmacy Technology

This program is designed to be completed in one year.

This program will cost \$8433 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Tuition & regularly assessed fees for Indiana & Illinois students: \$6466

Books & supplies estimate: \$1298

Course & program fees: \$569

Uniforms/specialty supplies: \$100

Total Out of state: \$17,033

If living on campus, add room & board estimate: \$9990

Because fewer than 10 students completed this program in 2017-2018, no median loan debt has been calculated.

This program prepares students to meet licensure and registration requirements for this profession in the State of Indiana. In order to work as a pharmacy technician in most states, you will need to either be licensed or have a certificate. It is important to check your individual state requirements.
