### SECTION I: PROGRAM INFORMATION

# **List of Programs**

List each program for an initial teaching credential below and indicate whether it is offered at the Undergraduate level (UG), Institution Information Postgraduate level (PG), or both. (§205(a)(C))

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

• Teacher Preparation Program

## THIS PAGE INCLUDES:

>> List of Programs

## **List of Programs**

CIP Code	Teacher Preparation Programs	UG, PG, or Both	Update
13.1	Special Education	UG	
13.1322	Teacher Education - Biology	UG	
13.1323	Teacher Education - Chemistry	UG	
13.1337	Teacher Education - Earth Science	UG	
13.1311	Teacher Education - Mathematics	UG	
13.1329	Teacher Education - Physics	UG	

Total number of teacher preparation programs: 6

# **Program Requirements**

Check the elements required for admission (entry) into and completion (exit) from the program. If programs are offered at the undergraduate level and postgraduate level, complete the table for both types of programs. (§205(a)(1)(C)(i))

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- Full-time equivalent faculty supervising clinical experience
- Adjunct faculty supervising clinical experience
- Cooperating Teachers/PreK-12 Staff Supervising Clinical Experience
- Supervised clinical experience

### THIS PAGE INCLUDES:

- >> <u>Undergraduate Requirements</u>
- >> Postgraduate Requirements
- >> Supervised Clinical Experience

## **Undergraduate Requirements**

- 1. Are there initial teacher certification programs at the undergraduate level?
  - Yes
  - No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the table below blank (or <u>clear responses already entered</u>) then click save at the bottom of the page.

Element	Admission	Completion

#### SECTION I: PROGRAM INFORMATION

# **Teachers Prepared**

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

Academic Major

### THIS PAGE INCLUDES:

- >> Teachers Prepared by Subject Area
- >> Teachers Prepared by Academic Major

## **Teachers Prepared by Subject Area**

Please provide the number of teachers prepared by subject area for academic year 2018-19.

For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

## What are CIP Codes?

No teachers prepared in academic year 2018-19

If your program has no teachers prepared, check the box above and leave the table below blank (or clear responses already entered).

What are CIP codes? The Classification of Instructional Programs (CIP) provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. CIP was originally developed by the U.S. Department of Education's National Center for Education Statistics (NCES) in 1980, with revisions occurring in 1985, 1990, and 2000 (<a href="https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55">https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55</a>).

CIP Code	Subject Area	Number Prepared
13.10	Teacher Education - Special Education	22
13.1202	Teacher Education - Elementary Education	22

CIP Code	Subject Area	Number Prepared
13.1203	Teacher Education - Junior High/Intermediate/Middle School Education	
13.1210	Teacher Education - Early Childhood Education	
13.1301	Teacher Education - Agriculture	
13.1302	Teacher Education - Art	
13.1303	Teacher Education - Business	
13.1305	Teacher Education - English/Language Arts

13.1324	Teacher Education - Drama and Dance	
13.1328	Teacher Education - History	
13.1329	Teacher Education - Physics	
13.1331	Teacher Education - Speech	

CIP Code	Subject Area	Number Prepared
13.1337	Teacher Education - Earth Science	
13.14	Teacher Education - English as a Second Language	
13.99	Education - Other Specify:	

## **Teachers Prepared by Academic Major**

Please provide the number of teachers prepared by academic major for academic year 2018-19. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. (§205(b)(1)(H))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education—Chemistry" category.

## What are CIP Codes?

Do	participants	earn a	degree	upon	completion	of the	program?

• Yes

No teachers prepared in academic year 2018-19

If your program does not grant participants a degree upon completion, or has no teachers prepared, leave the table below blank (or **clear responses already entered**).

CIP Code	Academic Major	Number Prepared
13.10	Teacher Education - Special Education	22
13.1202	Teacher Education - Elementary Education	
13.1203	Teacher Education - Junior High/Intermediate/Middle School Education

# **Program Assurances**

Respond to the following assurances. Note: Teacher preparation programs should be prepared to provide documentation and evidence, when requested, to support the following assurances. (§205(a)(1)(A)(iii); §206(b))

PAGE	

>> Program Assurances

Program Assurances
1. Program preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to tea based on past hiring and recruitment trends.
• Yes • No
2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.
• Yes No
3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.
No Program does not prepare special education teachers
4. Prospective general education teachers are prepared to provide instruction to students with disabilities.
No Yes
5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.
• Yes • No
6. Prospective general education teachers are prepared to provide instruction to students from low-income families.
Yes No
7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.
Yes No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

VU's Teacher Education Advisory Committee (TEAC) discusses identified needs and instructional decisions new teachers may face in the classroom. TEAC members review and provide feedback on student teacher evaluation rubrics and teaching observation rubrics. Education students have the opportunity to work with students from diverse backgrounds in the classroom placements for clinical experiences.

## **Annual Goals: Mathematics**

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

## (§205(a)(1) (A)(i), §205(a)(1)(A)(ii), §206(a))

Please note that the goals you set last year are not pre-loaded into your report because the Department's changes to wording of the questions in this section make them incompatible for pre-loading from last year's data. Next year, your goals will be pre-loaded into your report based on the goals you enter this year.

In order to complete this section, you may find it helpful to review your goals in your 2019 report. You may download and review your 2019 report by following the following steps: 1) click the Home tab, 2) click "Academic Year 2018-19 Data" in the banner near the top of the page to expand the dropdown, and select "Academic Year 2017-18 Data," 3) Click Download Report.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

• Quantifiable Goals

### THIS PAGE INCLUDES:

- >> Set Next Year's Goal (2020-21)

## Report Progress on Last Year's Goal (2018-19)

1. Did your program prepare teachers in mathematics in 2018-19?

If no, leave remaining questions for 2018-19 blank (or clear responses already entered).

Yes

No

- 2. Describe your goal.
- 3. Did your program meet the goal?

Yes

No

4. Description of strategies used to achieve goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:
Review Current Year's Goal (2019-20)
7. Is your program preparing teachers in mathematics in 2019-20? If no, leave the next question blank.  Yes No  8. Describe your goal.
Our program has one potential completer who needs to finish her student teaching and Capstone coursework in order to graduate at the end of the 2019-2020 academic year. An additional goal is to continue to use our new mathematics education scholarships to recruit new students.
Set Next Year's Goal (2020-21)
Set Next Year's Goal (2020-21)  9. Will your program prepare teachers in mathematics in 2020-21? If no, leave the next question blank.  Yes No
9. Will your program prepare teachers in mathematics in 2020-21? If no, leave the next question blank.  Yes

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

## **Annual Goals: Science**

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

## (§205(a)(1) (A)(i), §205(a)(1)(A)(ii), §206(a))

Please note that the goals you set last year are not pre-loaded into your report because the Department's changes to wording of the questions in this section make them incompatible for pre-loading from last year's data. Next year, your goals will be pre-loaded into your report based on the goals you enter this year.

In order to complete this section, you may find it helpful to review your goals in your 2019 report. You may download and review your 2019 report by following the following steps: 1) click the Home tab, 2) click "Academic Year 2018-19 Data" in the banner near the top of the page to expand the dropdown, and select "Academic Year 2017-18 Data," 3) Click Download Report.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

Quantifiable Goals

### THIS PAGE INCLUDES:

- >> Report Progress on Last Year's Goal (2018-19)
- >> Review Current Year's Goal (2019-20)
- >> Set Next Year's Goal (2020-21)

# Report Progress on Last Year's Goal (2018-19)

1. Did your program prepare teachers in science in 2018-19?

If no, leave remaining questions for 2018-19 blank (or clear responses already entered).

- Yes
- No
- 2. Describe your goal.

Our goal was to graduate one of our candidates this year and to begin to grow the program through our state-wide initiatives through the Transfer Single Articulation Pathways and through some private recruiting efforts with local two-year colleges.

- 3. Did your program meet the goal?
  - Yes
  - No
- 4. Description of strategies used to achieve goal, if applicable:

Both goals were unmet.

### 5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Progress on the 2+2 transfer initiative with the neighboring community college system has been very slow, but we are starting to gather momentum and anticipate an agreement before the end of the 2020-21 academic year. The TSAP agreements within the state are progressing - the Biology Education Pathway was finalized over the summer of 2019 and the Chemistry Education Pathway has produced a draft that is currently being circulated around the State for comment. It is anticipated to be voted on and approved before the start of classes in Fall 2020. While this has been progressing, our recruiting efforts do seem to be paying off in some small ways. We have a total of three pre-science education majors currently along with two candidates who will do their student teaching in the 2020-21 academic year. If both sets of students proceed on schedule, we anticipate a graduating class next year as well as the beginning of admissions into the program in the 2020 and 2021 academic years.

6. Provide any additional comments, exceptions and explanations below:

Progress on the 2+2 agreement and the TSAP agreement in the State were slower than anticipated.

## **Review Current Year's Goal (2019-20)**

7. Is your program preparing teachers in science in 2019-20? If no, leave the next question blank.

• Yes

## 8. Describe your goal.

Finalization of the Chemistry Education TSAP agreement should occur by the end of the academic year/start of Fall 2020. Also, the 2+2 agreement for Science Education should be in the draft phase in the same timeline. With this in mind, our goal is to add at least one transfer student using either the TSAP or the 2+2 in the 2019-2020 academic year.

# Set Next Year's Goal (2020-21)

9. Will your program prepare teachers in science in 2020-21? If no, leave the next question blank.

• Yes

## 10. Describe your goal.

We will graduate two teachers in Biology Education next year and will add an additional two to the program in the coming academic year as Junior-level students.

# **Annual Goals: Special Education**

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

## (§205(a)(1) (A)(i), §205(a)(1)(A)(ii), §206(a))

Please note that the goals you set last year are not pre-loaded into your report because the Department's changes to wording of the questions in this section make them incompatible for pre-loading from last year's data. Next year, your goals will be pre-loaded into your report based on the goals you enter this year.

In order to complete this section, you may find it helpful to review your goals in your 2019 report. You may download and review your 2019 report by following the following steps: 1) click the Home tab, 2) click "Academic Year 2018-19 Data" in the banner near the top of the page to expand the dropdown, and select "Academic Year 2017-18 Data," 3) Click Download Report.

# Report Progress on Last Year's Goal (2018-19)

1. Did your program prepare teachers in special education in 2018-19?

If no, leave remaining questions for 2018-19 blank (or clear responses already entered).

- Yes
- No
- 2. Describe your goal.

Continue to recruit and retain students. Expand special education - mild intervention from K-6 to K-12.

- 3. Did your program meet the goal?
  - Yes
  - No
- 4. Description of strategies used to achieve goal, if applicable:

Applied to State of Indiana and granted special education - mild intervention licensure expansion from K-6 to K-12.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:  N/A
6. Provide any additional comments, exceptions and explanations below:  Recruitment efforts are showing positive results with more students enrolled in the first years of the program.

SECTION II: ANNUAL GOALS

# **Annual Goals: Instruction of Limited English Proficient Students**

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

## (§205(a)(1) (A)(i), §205(a)(1)(A)(ii), §206(a))

Please note that the goals you set last year are not pre-loaded into your report because the Department's changes to wording of the questions in this section make them incompatible for pre-loading from last year's data. Next year, your goals will be pre-loaded into your report based on the goals you enter this year.

In order to complete this section, you may find it helpful to review your goals in your 2019 report. You may download and review your 2019 report by following the following steps: 1) click the Home tab, 2) click "Academic Year 2018-19 Data" in the banner near the top of the page to expand the dropdown, and select "Academic Year 2017-18 Data," 3) Click Download Report.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

Quantifiable Goals

### THIS PAGE INCLUDES:

- >> Report Progress on Last Year's Goal (2018-19)
- >> Review Current Year's Goal (2019-20)
- >> Set Next Year's Goal (2020-21)

# Report Progress on Last Year's Goal (2018-19)

1. Did your program prepare teachers in instruction of limited English proficient students in 2018-19?

If no, leave remaining questions for 2018-19 blank (or clear responses already entered).

- Yes
- No
- 2. Describe your goal.

Our goal is to fully prepare our teacher candidates to instruct limited English Proficient students.

- 3. Did your program meet the goal?
  - Yes
  - No
- 4. Description of strategies used to achieve goal, if applicable:

Every teacher prep course that requires formal lesson plans, has a component that deals with addressing cultural differences. All BS students are

	required to take at least one semester of a foreign language or American Sign language. Special Education courses contain lessons that teach instruction of students who are non- verbal, or use augmented forms of communication.
5.	. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:
	We have found that adding a Foreign Language requirement is greatly helping our students. Many of our students choose to take a semester of Spanish as we have a large Hispanic population in our surrounding school corporations. Also, many of our students choose to take American Sign Language to help to communicate with our non-verbal students.
6.	. Provide any additional comments, exceptions and explanations below:
F	Review Current Year's Goal (2019-20)

7. Is your program preparing teachers in instruction of limited English proficient students in 2019-20? If no, leave the next question blank.

8. Describe your goal.

Our goal is to fully prepare our teacher candidates to instruct limited English Proficient students. Additionally, we hope to partner with the English as a Second Language Program on the Vincennes University campus to help enhance our instruction of LEP students.

# Set Next Year's Goal (2020-21)

9. Will your program prepare teachers in instruction of limited English proficient students in 2020-21? If no, leave the next question blank.

10. Describe your goal.

Our goal is to fully prepare our teacher candidates to instruct limited English Proficient students. Additionally, we hope to partner with the English as a Second Language Program on the Vincennes University campus to help enhance our instruction of LEP students.

## **Assessment Pass Rates**

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. (§205(a)(1)(B))

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact Westat's Title II Support Center and your testing company representative.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

SECTION V: USE OF TECHNOLOGY

# **Use of Technology**

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:	
>> Use of Technology	

# **Use of Technology**

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(F))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction
  - Yes
    - No
- b. use technology effectively to collect data to improve teaching and learning
  - Ye
    - No
- c. use technology effectively to manage data to improve teaching and learning
  - Yes
  - No
- d. use technology effectively to analyze data to improve teaching and learning
  - Yes
  - No
- 2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

The teacher education curriculum includes two three credit hour technology courses: EDUC 200, Computer Technology for Teachers focusing on techniques for software evaluation, programming, and the use of word, spreadsheets, Internet, PowerPoint and portfolio development; and EDUC 312, Organization and Administration of Assistive Technology instructionally preparing teacher candidates to learn how to address academic diversity with technology, create a universally designed for learning classroom and how to differentiate instruction with technology. Further, use of technology is evident in lesson planning and Project Learning Curve in which teacher candidates teach a skill using pre- and post-testing completed during student teaching and preparing a technology-filled presentation based on the results of the project for the culminating capstone course. Teacher candidates are required to upload their hallmark artifacts from selected coursework into an electronic storage system. Additionally, teacher candidates are evaluated on the institution's Guiding Principle #5: Teacher candidates use appropriate technology to enhance student learning.

SECTION VI: TEACHER TRAINING

# **Teacher Training**

Provide the following information about your teacher preparation program. (§205(a)(1)(G))

Ή	<b>41S</b>	PA	GF I	INCL	UDES:

>> Teacher Training

## **Teacher Training**

- 1. Provide a description of the activities that prepare general education teachers to:
  - a. Teach students with disabilities effectively

Our program is a dual licensing program is Special education (K-12) and elementary education (K-6). The following classes that are 1 semester long: EDUC 393 - Practicum in SPED, EDUC 346 Autism, EDUC 352 Collaboration, EDUC 350 Evaluation and Exceptionality, EDUC 342 Emotional Disabilities, EDUC 340 Mild Interventions, EDUC 291 Introduction to Exceptionalities. EDUC 492 - Student Teaching in Mild Intervention.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

Student teachers have the opportunity to participate in an IEP meeting. This takes place during EDUC 492 - Student Teaching in Mild Intervention and EDUC 393 - Practicum in SPED.

c. Effectively teach students who are limited English proficient.

Many of our students work in placements with students who only speak Spanish, are non-verbal, or communicate only through assistive technology. This takes place during EDUC 492 - Student Teaching in Mild Intervention and EDUC 393 - Practicum in SPED.

- 2. Does your program prepare special education teachers?
  - Yes

No

If yes, provide a description of the activities that prepare special education teachers to:

a. Teach students with disabilities effectively

Our program is a dual licensing program is Special education (K-12) and elementary education (K-6). The following classes that are 1 semester long: EDUC 393 - Practicum in SPED, EDUC 346 Autism, EDUC 352 Collaboration, EDUC 350 Evaluation and Exceptionality, EDUC 342 Emotional Disabilities, EDUC 340 Mild Interventions, EDUC 291 Introduction to Exceptionalities, EDUC 492 - Student Teaching in Mild Intervention.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

Student teachers have the opportunity to participate in an IEP meeting. This takes place during EDUC 492 - Student Teaching in Mild Intervention and EDUC 393 - Practicum in SPED.

## c. Effectively teach students who are limited English proficient.

Many of our students work in placements with students who only speak Spanish, are non-verbal, or communicate only through assistive technology. This takes place in EDUC 492 - Student Teaching in Mild Intervention and EDUC 393 - Practicum in SPED which provides students with experiences in working with students are limited English proficient.

## **Contextual Information**

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.
