

Federal Pell Grant Eligibility Summer 2024

Students who qualified for Pell Grant funds in the fall and spring semesters may receive Pell Grant funds for the summer semester. This chart will help you determine if your enrollment this summer will qualify you for Pell. Summer Pell awards are determined by enrollment status (the previous fall and spring semesters, and summer 2024) and EFC (expected family contribution). You will be notified by email to check your VUX portal for your summer financial aid package. If you have any questions, please contact us 812-888-4361.
