**STEP 2: Understanding the Purpose of this Request**

Your 2022-2023 financial aid is based on 2020 income and federal tax information. This form provides guidance on how to document certain changes in your financial circumstances since 2020. This might allow us to reduce certain data elements on your FAFSA and may provide a result which more accurately and fairly reflects your current financial situation. The information you provide pertains solely to the student and spouse information required for the 2022-2023 FAFSA.

The list on the second page provides the most common circumstances that allow us to make this professional judgment. You may check with a financial aid counselor if you have other circumstances that might affect your FAFSA result (EFC-Expected Family Contribution). We must have documentable circumstances to make adjustments. Not all adjustments will change your financial aid eligibility. Federal student aid regulations require our office to document why we adjusted the data elements that go into re-calculating your EFC. Please submit all required documentation with this form. Additional information may be requested upon review of your request. **Incomplete requests will not be processed.**

Evaluating your request may take several weeks to complete. Submission of this form does not guarantee increased financial aid eligibility, and any increase may not cover the full costs incurred at Vincennes University. While a decision is pending on your request, you can receive the financial aid currently indicated on your MyVU account. You will be notified by email of the final decision made on your request. The decision we make on your request is final and cannot be appealed to the U.S. Department of Education.

**You are responsible for payment of your account while your request is being processed.**

We will NOT consider requests for any of the following circumstances:

- Bankruptcy
- Non-essential expenses (vacations, tithing, charitable giving, high mortgage payments, credit cards, etc.)
- Standard living expenses (utilities, cable bills, cell phone, vehicle loan, tax bills, etc.)
- Standard maintenance items (lawn care, home repairs, gas, etc.)
- One-time income used for non-essential purposes (second residence, additional vehicles, recreational vehicles, etc.)
- You already qualify for maximum Pell grant and loans because you have a zero EFC.

By signing this form, I certify all information is true and complete to the best of my knowledge. I agree to provide all documentation and information that will verify the accuracy of my request. I understand that if I purposely give false or misleading information, I may be prosecuted by the U.S. Department of Education. **I understand I am responsible for payment of my account at Vincennes University.**
